Anonymous 1.0 out of 5 stars I have to constantly remove it from the machine and roll it on to d receiving roller. A complete waste of money This product is exactly as described, compatible with my machine. You cant beat the price, oem is 3x the price. Customer service with this company is great too. Will continue to buy from them, for as long as my machine lasts. The price is much lower while the quality is as good as the OEM. Will purchase again when a refill is needed I would definitely purchase again. Thanks so much for a great product. Great packaging. A little hard to install in the machine but Ive learned. I have had no issues with it. Very pleased with quality and price! In order to navigate out of this carousel please use your heading shortcut key to navigate to the next or previous heading.
